MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE AGENCY

25X1A9a

ATTN:

SUBJECT: Augmentation of a TALENT Space for Commander,
Alaskan Command

1. Reference is made to our request of 5 September 1957 for establishment of TALENT spaces for key positions in the Alaskan Air Command, and your approval of 23 September 1957.

2. At the time the request was initiated, Lt General Armstrong was serving in a dual capacity as the Theatre Commander and as Commander of the Alaskan Air Command.

3. Brig General Kenneth Gibson has recently been assigned duties as Commander of the Alaskan Air Command. Lt General Armstrong has retained the position of Commander of the Alaskan Command. With the split in duties, there is no TALENT position currently authorized for the Commander of the Alaskan Command, though both commanders require access in order to insure effective support of the program and to afford these key positions access to the results of the program.

4. Request approval of one additional TALENT position for the Commander of the Alaskan Command, making a total of three (3) TALENT positions for the theatre. This will not involve an extension of the system, and neither the Alaskan Command nor the Alaskan Air Command will receive and store material.
